

Dear Parents:

As educators, we know how difficult it can be to make ends meet. Sometimes working two jobs isn't enough to cover the expenses that life throws at us. That is why the 21<sup>st</sup> Century Community Learning Center (CCLC) Agoge has collaborated with the local community in establishing a resource center to help with these basic needs. The Lamanna Resource Center was created to provide supplemental meals and toiletries to support our students and their families, as well as any faculty or staff members who may need assistance. The resource center will provide backpacks containing 2 breakfasts, 2 lunches, 2 dinner's, and 2 snacks on Friday afternoons. Additionally, the resource center will be open twice a month in the evenings for families and employees to pick up a box containing non-perishable food items as well as toiletries. The resource center is completely free and confidential and distribution will be done in a discreet manner.

Listed below is some information on the new program:

- Students will be provided with food that they can eat at home during weekends and out-of school times. This support is also available for student's siblings regardless of their enrollment status in school.
- Your child's information (name, grade, and number of siblings) will be kept confidential and not shared with any entities outside of the coordinators of the pantry (Ms. Coldwell and Mrs. Ballenger).
- **Please be advised that these bags contain some foods that contain peanuts, nuts, soy, wheat, eggs and milk.** All food is labeled and sealed by the manufacturer. If you want your child to receive a weekly bag of food, please contact Cherie Coldwell at 208-448-1211 x6.

Thank you very much,

Cherie Coldwell,

Director PRLHS Agoge and Agoge Pantry
