

The Alvie C. Jeffres Memorial Scholarship

This scholarship will be awarded primarily on the basis of financial need to those students who are able to demonstrate commitment to advance their education at a higher level. While grades, activities and recommendations are important, all applicants will be seriously considered who are able to convince the selection committee of a strong desire to achieve success.

Alvie Jeffres was a prominent Sandpoint businessman who owned and operated The Furniture Exchange, a local Sandpoint furniture store. He began working there when he was seventeen years old, and through hard work, was able to eventually own and operate a successful business. He and his wife, June, raised their family in Sandpoint, and until his passing in 1989, Alvie continued to be involved in the lives of young people in Bonner County. His family has created this scholarship in his memory. They believe that Alvie would be most impressed with an individual who may not have the most sterling of grades, yet is highly motivated to further their education and is willing to put forth the effort to achieve their goals. The scholarship will be awarded to those applicants the committee feels best demonstrates Alvie's ideals of hard work and determination.

Those applying for an Alvie C. Jeffres Memorial Scholarship must be enrolled in or applying to any college, university, trade school or any institution of post-high school education or applying for repayment of student loans within two years of graduation. The applicant can reapply each year, for a period of four years if the student qualifies and maintains a 2.5 GPA as a full-time student. The scholarship is for \$1,000 and will be made payable to the successful applicant's school. This annual scholarship will be awarded during a worship service at First Baptist Church each June. Students who have been home-schooled or educated in private schools are encouraged to apply. Relatives of Alvie Jeffres are excluded from applying for this scholarship.
