IDENTITY & BIRTH INFORMATION VERIFICATION

Idaho legislation requires West Bonner School District to verify the identity and birth information on every student in our district. In order to do so, a **state certified copy of the student's birth certificate or other reliable proof of birth date is required** to be presented within 30 days of enrollment. Other acceptable alternatives to a birth certificate are a passport, visa, or other government documentation of the child's identity. These documents must be accompanied by an affidavit explaining the inability to present a copy of the birth certificate.

IMMUNIZATION LAW

Any child attending grades preschool through grade twelve of any public, private or parochial school shall be immunized. Each child entering school must have 5 – DTP, 3 – Polio, 3 – Hep B and 2 – MMR shots. If you have questions about obtaining immunizations for your children, please contact Panhandle Health in Sandpoint. 263-5159. Parents shall provide to school personnel, a certificate signed by a physician or his/her representatives that their child has received, or is in the process of receiving the required immunizations. Parents may provide laboratory proof of immunity in lieu of receiving any/all of the immunizations listed. SUSPENSION AND/OR EXPULSION

Suspensions may be the result of any school or school district violation. The purpose of suspension is to prohibit the disruption of classroom work and to protect the general welfare of students and school personnel. Expulsion is the punishment of severe violations of school policy. Expulsion is the denial of the right to attend school by the Board of Trustees. While suspended or expelled, a student is not permitted to attend any school activities.

HEALTH & SAFETY

Student Illness/Injury

If a student is seriously injured at school, first aid will be administered and every effort will be made to notify parents immediately. When student's parents cannot be reached, and in the judgment of the school staff a doctor's services are required, the child will be transported directly to the doctor. All minor injuries (minor cuts, scrapes, etc.) will be treated at school unless the school is directed by the parent(s) or guardian(s) to do otherwise. **It is extremely important that we have the current phone numbers for parents or guardians, and at least two other contacts, in case of emergency.**

The best precautions and the closest supervision do not guarantee accidents will not happen. Accidents are a fact of life and a part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child(ren) be injured. **The school district does not provide medical insurance to automatically pay for medical expenses when students are injured at school.** This is the responsibility of the parents or legal guardians. The district only carries legal liability insurance. The district does provide information concerning a private insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are available at the school office.

Emergency Contacts

- ❖ It is imperative that we be able to reach you quickly in case your child is injured or becomes ill during the school day.
- ❖ We must have a daytime phone where you can be reached even if you do not work outside the home. **PLEASE UPDATE PHONE NUMBERS AS NEEDED.**
- ❖ When parents cannot be reached, and in the judgment of the school staff a doctor's service is required, the child will be transported directly to the doctor.
- ❖ All minor injuries (minor cuts, scrapes, etc.) will be treated at school unless the school is directed by the parents/guardians to do otherwise.

Standard Response Protocol

West Bonner County School District uses the standard response protocol recommended by the Bonner County Sheriff's office. This protocol provides a common language across the county and within our district schools. The protocol defines four (4) actions and provides flexibility for response to specific incidents.

Lockout is followed by the Directive: "Secure the Perimeter" and is the protocol used to safeguard students and staff within the building. This will be used if there was a perceived or known threat outside of the school.

Lockdown is followed by "Locks, Lights, Out of Sight" and is the protocol used to secure individual rooms and keep students quiet and in place. This will be used if there is a threat within the building.

Evacuate is always followed by a location, and is used to move students and staff from one location to a different location in or out of the building. This will be used if students can safely move to another site to avoid a threat within the building.

Shelter is always followed by a type and a method and is the protocol for group and self-protection. This will be used for a response to situations such as a tornado.

Parents and guardians will be notified if a school site has gone into lockdown or evacuated using our OneCallNow system.

Student Medications

School District policy governs the dispensing of medications to students. **The school does not stock any medicines for student use.** Students are not to have any medication at school until a Student Medication form is on file in the office. If your student needs medication for recurring conditions, you should bring to school a small supply of the medicine in its original container and clearly labeled with your child's name. Include written directions for its use. The Student Medication form can be filled out at this time.

- ❖ Parents of students needing daily medication or who need an inhaler, bee sting medication, etc. will need to talk with the principal and the school district nurse to make a health care plan.
- ❖ All medicines for student use shall be kept in the office and dispensed per the instructions provided by the parents and/or physician. **Cough drops are medicine and if brought to school they must be turned into the office and accompanied by a note.**

Head Lice

Head lice are a health issue that affects most schools at one time or another. The procedures for dealing with head lice at our school are as follows:

- ❖ Periodic all-school checks are conducted by school staff and trained volunteers.
- ❖ Students who have signs of head lice are referred to the office where a second check is done to confirm if head lice or their eggs (“nits”) exist.
- ❖ If so, the parents are contacted to pick up their children as soon as possible.
- ❖ A letter is sent with the student explaining some of the ways to treat head lice.
- ❖ **Before the child may return to school or ride the bus, he or she must be treated with a reliable product and all nits removed.**
- ❖ The parent should bring the child **directly to the office** when he or she returns to school the next or subsequent day. The child will be checked to make sure no lice or nits are present before being allowed to go to class or ride the bus.
- ❖ **If any signs of head lice remain after treatment, the child will not be allowed to return to school that day.**
- ❖ The School District nurse is a valuable help to parents and students dealing with head lice. Her services are shared with all District#83 schools but we will make every effort to put parents in touch with her as needed.

SCHOOL SECURITY MEASURES

Building Security

- ❖ During school hours, exterior doors will be locked to outside entry. Please use our bell if no one is in the office as that door will be locked also. We now have a buzzer to let you in, please look in the office before ringing the bell. We apologize for this inconvenience. **ALL VISITORS, PARENTS & GUARDIANS MUST CHECK INTO THE OFFICE BEFORE EACH AND EVERY VISIT.** Visitors must present a valid piece of picture ID.
- ❖ **All persons entering the building *must* check in and sign in.**

Student Security

- ❖ No student will be allowed to leave school with anyone other than the listed parent, guardian or authorized emergency contact persons without the express permission of the parent or guardian.
- ❖ Students are never to leave school grounds during the school day except by permission of the parent and the school principal.

Drugs and Substances Possession or Use

Alcohol, tobacco, or other illegal substances are not allowed on campus or at school activities. Students found under the influence, using, or having in possession any such substances shall be subject to any or all of the following:

1. Parent or legal guardian conference with administrator and/or advocate team representatives.
2. Referral to law enforcement agency.

3. Immediate suspension from school not to exceed five days or until a follow-up assessment is completed by an outside agency if appropriate. Suspension from school related activities will be determined by school administration.

Immediate school suspension is not to exceed 5 days, followed by referral to the Board of Trustees for possible expulsion. Suspension from school related activities will occur at the time of suspension & continue until such time as the School Board approves re-admission to school.

Weapons

It is the policy of West Bonner County School District #83 that there is **ZERO TOLERANCE TO THE CARRYING, THREAT OF USE, OR ACTUAL USE OF WEAPONS OF ANY SORT FOR ANY REASONS ON ANY** district property, including transporting equipment (i.e. school buses).

Absolutely no weapons of any sort, including B-B guns, are allowed on District property or at District sponsored activities any time under circumstances. Implements manufactured, used or intended for use as weapons may not be possessed or carried at school or on any school property, nor may such implements be possessed or maintained unlocked in motor vehicles. Students found in possession of weapons shall immediately be referred to the appropriate law enforcement agency and suspended from school until a thorough investigation is made of the circumstances. Parents or legal guardians and the superintendent, or designee, shall be notified immediately.

The following items are specifically prohibited: snap-blade knives, enclosing knives, razors, razor blades, firearms, explosives, (including cap and firecrackers), first loads, brass knuckles, chair, iron bars, and other objects capable of being used as weapons will be considered as such unless the circumstances indicate contrary. All weapons, whether or not listed herein, are similarly prohibited. Furthermore, possession of any item intended to be used as a weapon or looking like a weapon, on school property or at a school event will be considered as grounds for discipline.

Harassment

It is the policy of this district to maintain a learning environment that is free from all types of harassment. Each student has the right to attend school in an atmosphere that promotes equal opportunities that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive.

If the allegation of harassment is against a student and there is sufficient evidence to support the allegations, disciplinary action, up to and including expulsion, may be taken against the offender. (See policies 3290 and 3295)

Recess Periods

- ❖ Our school requires that all children go outside except during extreme inclement weather. As a general rule if the outside temperature falls below 20° F or is raining excessively, we will have inside recess.
- ❖ Parents should make sure their children have proper outerwear - coats, boots, snow pants, gloves, hats etc. as needed. Please note that open toed sandals or flip flops are not very safe for children to play in at recess. Please send extra shoes that your child can change into. Snow boots are not allowed in the gym – please help your child remember to bring sneakers.
- ❖ **We believe that children who are well enough to attend school are well enough for recess. There are rare exceptions to this rule due to space constraints and limited staffing.**
- ❖ If you feel that your child does need to stay in at recess, a note is needed.

Volunteers

- ❖ The school doors will be locked at all times – there is a doorbell by the front door, please be patient – someone will buzz in you in as soon as possible, please look in the office we have a buzzer to let you in. Students are not allowed to open these doors without an adult present. The safety of our students is very important to us all.

CHANGES IN ROUTINE

- ❖ **FOR ALL STUDENTS:** Whenever there is a change in a student's usual routine for going home, parents **must send a note** explaining the change. For example, parents may not want the child to ride the bus home because they plan to pick up their child at school. **Notes are also required** for a student to ride a different bus or get off at a different stop.
- ❖ **Please note: Unless otherwise notified by note or by phone, school personnel will send students home in their normal manner.**
- ❖ Parents should try to plan such changes ahead of time so that they may send a note with their child. When advance planning is not possible, you may phone the school and ask to have a message delivered to your child.
- ❖ Please try to schedule all doctor or dentists appointments after school hours or at least after 1:00 p.m. Your assistance will be greatly appreciated.
- ❖ Birthdays are a wonderful event in a child life; however they can become a disruption to the learning process. If you wish to send or bring cupcakes to the classroom, please make arrangements with your child's teacher and remember no home baked items are allowed due to health reasons. **Flower or balloon bouquets will NOT be allowed in the classroom or on the bus due to health and safety issues.**

COMMUNICATIONS & ELECTRONICS

School Telephone

Students will be allowed to use the **office phone only for emergencies** after approved by their classroom teacher.

Students & Cell Phones & iPods (electrical gadgets):

Cell phones must be kept in student back packs and turned off during the school day.

Electronic Toys

We encourage students to keep all electronic toys (ex: CD players, iPods, Gameboys, etc.) at home so items are not lost, broken, or damaged. We do however understand that some students have very lengthy bus rides and these can help keep them entertained. If this is the case, the student is responsible for the item at school and therefore we ask them to keep their toys in their backpacks during school hours so it stays as safe as possible. No "T" or "M" rated games or CD's are allowed at school or on the bus.

ELEMENTARY SCHOOL ATTENDANCE POLICY

Priest Lake Elementary provides incentive for good attendance quarterly. Please call the school if your student will not be attending school. West Bonner County School District recognizes that regular school attendance contributes to successful student achievement. Regular and punctual patterns of attendance will be expected of each elementary school student enrolled in the district. Days lost from school cannot be “made up,” even though homework has been completed. There is no substitute for uninterrupted personal contact between teacher and student. Attendance at school is a shared responsibility of the parent(s)/guardian, student and school personnel. The principal is responsible for the implementation and enforcement of this student policy.

As an added safety measure due to the fact that many students walk to school and to their bus stops, we will call if a student does not show up for school. This call will typically be made before 10:00 a.m. In order to keep teachers informed and to help office personnel, please contact the school if your child will be absent. In addition a written and dated note by the parent/guardian is needed explaining the reason for the absence.

Emergency Closure

- ❖ When it is necessary to close or delay the start of school because of severe weather or other emergencies we will use our OneCallNow automated system. In addition, you may also call the emergency closure hotline: **208-448-1874**.
- ❖ The decision to close school is made by the Superintendent and Transportation Director for West Bonner County District #83.

DRESS CODE

Student dress should not in be disruptive of normal classroom procedure. Students should be clean, well-groomed and dressed in good taste. Students are expected to come to school in clean clothes that are appropriate for weather conditions, for a school setting, and not frayed. Appropriate attire for different learning activities should be considered as well as the expectations that school is not a casual environment.

The following are guidelines, which are intended to allow student expression without creating a health problem, wearing clothes that may be disruptive to school setting, or counter to the educational mission of the school:

- ❖ **No hats or head coverings are to be worn in buildings.**
- ❖ Clothing must not contain any symbols, words, pictures, etc. that is alcohol/drug related, are sexually explicit or implicit, or deemed inappropriate by the building principal.
- ❖ **Shorts, dresses, skirts, slits in skirts, and holes/rips must reach the end of student’s fingers when they place their arms at their sides.**
- ❖ No belly shirts allowed. That is, when arms are resting at the student’s sides and with reasonable movement, no part of the stomach should be exposed. Shirts must be long enough to cover students bottoms at all times.

- ❖ **Students must wear shoes at all times.** No shoes with wheels will be allowed. Snow boots are encouraged in the winter for outside use, snow boots **are not allowed** in the gym. If you wish your child to wear flip-flops or open toed sandals, a second set of regular shoes must come along to school in their back-pack because flip flops break regularly and have caused many injuries; *flip-flops/open toed sandals will need to be changed before going to recess.*
- ❖ **No underwear** may be exposed (tank top, undershirts may not be worn as outwear).
- ❖ **Regular tank tops must have at least a 1 inch wide strap. Clothing with low necklines is not appropriate. Backless shirts, and halter tops are not allowed.**
- ❖ Excessively baggy pants, and tops, which hang loosely below the underarm, are not permitted.
- ❖ **No Makeup. This includes colored lip gloss, body glitter, etc.**

Exception to the rules: At the discretion of the building principal for such days as dress up days and other activities.

STUDENT INFORMATION: RIGHT TO PRIVACY

According to the West Bonner County School District policy, the school is required to announce its intent to publish student information (i.e., student honor rolls, list for room mothers, etc) and allow sufficient time for a student or parent to request the information be withheld. **If you do not want the name of your child released for any reason (i.e. honor roll, class member list, etc.) please notify Mary Lea Wallace immediately. These lists are public record, along with student addresses, and birthdays. We will follow your instructions and omit information requested as per your directions.**

INSPECTION & REVIEW OF STUDENT RECORDS

Parents, and legal guardians, have the right to inspect the school records of their children. The school is required by federal law to make these records available to the parent within 45 days of their request.

You may inspect all records, including academic, attendance, testing and health. These records are on file at the school office and the special education classroom and/or the central special education office. All special education records are maintained for five years after a student exits the school system. The cumulative file and attendance records are maintained permanently. You can request an explanation or interpretation of the records, and you may obtain a copy of the records at the cost of ten cents per page.

You may have a representative inspect and review the records but only after the district receives written permission from you. You may request amendment of the records if you believe that information is inaccurate, misleading, or violates the privacy or other rights of the student. You may initiate a due process hearing regarding the content of the student records. You will be notified if the records from special education (i.e., Individualized Instructional Plan, test booklets, etc.) are being destroyed while in attendance. If a record contains information about more than one child, you may review only information relating to your child(ren) or be informed of that specific information.

The district will release the school records of your student(s) to schools and other agencies only upon receipt of your written request, specifying the records to be released, for what reason, and to whom they are to be released. Records will also be released when required by legal order or subpoena.

This is a summary of your rights to inspect and review records. A full text of these regulations is available at the West Bonner County School District Office, 134 Main St., Priest River, Idaho 83856

TESTING

Throughout the year your child will take a variety of formal and informal tests to determine their academic strengths and areas of concern. The results from these formal tests will be shared with parents as they become available throughout the year. Information will come home in the parent and school newsletters as to how you can help your child best prepare for these tests so they do their very best!

As per Idaho Code, all Idaho students in grades kindergarten through third grade take the Idaho Reading Indicator (IRI) two times per year. This quick test gives the teachers and Title 1 Reading staff an indicator as to which students may need extra support in the area of reading. All the third through sixth graders in our state take will take the ISAT test in ELA and Mathematics. 3rd and 5th graders will take an ISAT science test.

PROGRAMS

Priest Lake Elementary provides educational services for children in grades K-6. The West Bonner County School District has a curriculum which addresses each content area (reading, mathematics, language, etc.) found in the Idaho Core Standards. Teachers recognize that students are individuals who learn in different ways at different rates. They try to teach in ways that maximize learning opportunities for students and work closely with parents when students are having difficulty keeping up with the curriculum. Special services are also available.

HOMELESS

Students, who are considered homeless under the federal guidelines, may qualify for additional aide in order to help them be more successful in our school system. If you think you may qualify for homeless funds under the McKinney Vento Act, please contact the school office for additional information and for help in filling out forms. This information is strictly confidential.

SPECIAL EDUCATION

Special education services are available at Priest Lake Elementary. Students needing services are identified through an Intervention Team process. More information is available by contacting your school principal or special education teacher.

Gifted and Talented Program AHA

The Gifted and Talented Program in WBCSD #83 includes elementary students who have been identified by professionals employed by the District as having outstanding general or specific intellectual abilities. Our program identifies students beginning in the third grade. The district provides a monthly “learning” day, where students attend a variety of workshops to expand their knowledge.

Speech and Language Services

Speech and language services are provided for students who are identified with a speech and or language disability. Eligibility for speech and language services is based on individual assessment results.

Title I

There may be extra help available to your child in support of his/her general education through the federally funded Title I Program. Students in grades K-3 who have been identified by their teacher as needing support may receive assistance from a Title 1 staff member. Students are referred to Title 1 based on performance on local and state tests, teacher referral, and performance in the classroom. Students may receive extra assistance in their classrooms or in a separate room, individually or in a small group. Title 1 also offers opportunities throughout the year for families to attend activities and meetings. The Title staff is always available to support families and answer any questions. A District Title 1 Committee of parents, school staff and administrators advocates family involvement and provides input for the program. We believe the key to student success is working together with staff, administrators, students and families. This can be accomplished by using the following Home/School compact.

TITLE I HOME / SCHOOL COMPACT

I agree to:

Parent/Caregiver:

- Make sure my child attends school regularly and on time, gets enough sleep and eats well.
- Talk with my child daily about school and encourage my child's efforts.
- Support the school discipline policy and encourage positive attitudes about school.
- Read school communications, attend open house and parent conferences.
- Establish a consistent, daily reading/homework time, a place to study without TV and other interruptions.

Student:

- Attend school regularly unless sick, be on time, and be prepared to learn.
- Pay attention in class, ask for help when needed, and believe I can and will learn.
- Follow school rules and be accountable for my behavior, while being respectful of peers, adults, materials and school property.
- Discuss important school/community information with parents/caregiver, complete and return work as required.
- Limit TV watching and spend time on school work or reading at least three times a week.

Teacher:

- Provide a safe and positive learning environment.
- Set high achievable expectations for myself and my students.
- Respect individual differences of students and their families
- Communicate effectively with my students and their parents/guardians.
- Use methods and techniques that work best for my class and encourage the practice of academics at home by providing appropriate assignments.

Dear Families:

Federal law requires that each school district receiving Title 1 funds notify parent/guardians of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested. As a parent of a student attending a school receiving federal program funds, you have the right to know:

- ☐ Is my child's teacher licensed to teach the grades and subject(s) assigned?
- ☐ Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- ☐ What is the college major of my child's teacher?
- ☐ What degree or degrees does my child's teacher hold?
- ☐ If there are instructional aides working with my child, what are their qualifications?
- ☐ If my child is or will be taught for 4 or more consecutive weeks this year by a teacher who is not highly qualified, will I be notified in a timely manner?

To request the state qualifications for your child's teacher or instructional aide, please contact Human Resources at our district office, 208-448-4439.

If you would like more information about Priest Lake Elementary, please feel free to call our office at 208-443-2555.

WEST BONNER COUNTY SCHOOL DIST. #83

INTERNET ACCESS CONDUCT and MOBILE DEVICE AGREEMENT

Every student, regardless of age, must read and sign below:

I have read, understand, and agree to abide by the terms of the West Bonner County School District's policy regarding District-provided Access to Electronic Information, Services, and Networks (Policy No. 3270). Should I commit any violation or in any way misuse my access to the District's computer network and/or the Internet, I understand and agree that my access privilege may be revoked and school disciplinary action may be taken against me.

I have read, understand, and agree to abide by the terms of the West Bonner County School District's policies regarding District-provided mobile computing devices (Policy No. 3275). Should any violation or misuse of the device occur while it is in my custody, I understand and agree that I may lose access to the device, or may lose the privilege of taking it home, and will forfeit any fees paid for use of the device, regardless of whether the misuse was committed by me or another person.

I accept full responsibility for the safe and secure handling of the device for this school year. I accept full responsibility for the proper use and safeguarding of the device under all applicable policies. I understand that it is my responsibility to immediately report any damage, theft, or problems with the device to a teacher or administrator.

Parent or Legal Guardian. (If applicant is under 18 years of age, a parent/legal guardian must also read and sign this agreement.) As the parent or legal guardian of the above named-student, I have read, understand and agree that my child shall comply with the terms of the district's policy regarding District-Provided Access to Electronic Information, Services and Networks for the student's access to the District's computer network and/or the Internet. I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and

understand my child's responsibility for abiding by the policy. I am, therefore, signing this Agreement and agree to indemnify and hold harmless the District, the Trustees, Administrators, teachers and other staff against all claims, damages, losses, and costs, of whatever kind, that may result from my child's use of his/her access to such networks or his/her violation of the District's policy. Further, I accept full responsibility for supervision of my child's use of his/her access account if and when such access is not in the school setting. I hereby give my child permission to use the District approved account to access the District's computer network and the Internet.

I understand my child's responsibility in the use and care of their assigned mobile device and my financial responsibility in the event my student loses the device or is found to be the cause of deliberate or negligent damage to it. I understand that if he or she is found to be responsible for deliberate or negligent damage or for the loss of the device, I will be financially responsible for reasonable repair/replacement cost.

I have read the District Policy No. 3275 and explained it to my child. I understand that if any violation or misuse of the device occurs while it is in my child's custody, his or her access privileges to the internet or use of a mobile computing device can be suspended or terminated, that he or she will forfeit any fees paid for use of the device, and that he or she may face other disciplinary measures, regardless of whether the misuse was committed by him or her or by another person.

I also understand that I will be responsible for monitoring my student's use of the device outside the school setting.
